

Credit Union Benefits

Advocacy

NASCUS is a fierce advocate of the state charter and state-chartered credit unions before Congress and regulatory agencies. Our collective voice makes an impact on legislation and regulations.

Policymaking

Have an active voice in the policymaking process when state regulators and the industry come together in one place to talk and shape policies.

Training & Conferences

Receive member pricing on training, conferences, schools, and our Online University (coming in 2018!).

Events

Receive invitations to discussion forums and think-tank sessions of specially curated groups.

Resources

Access biennial state profile of credit union regulatory agencies, Part 741 Compendium, bill summaries, white papers, and our regulatory library.

News and Information

Get email bulletins, alerts, and weekly reports to stay current on state-chartered credit union issues.

Engage

Engage and strengthen relationships with your state regulator and your peers.
