314 FFIEC Ag Lending Seminar (08/25-08/27/2020)

Next week's training:

None

Please note the following update for training from the NCUA Division of Training and Development.

BIG Reminder: SSAs/Training Supervisors/Point of Contacts, the spreadsheet needs to back to [State Training](#) by **Aug. 29, 2020**. (Yes it is a Saturday).

Key reminders:

- Phase one is simply an opportunity to provide training course requests (Wish List). This phase gives NCUA the data to determine estimated number of training attendees, number of training instructors needed, and number of training locations required. Participants may select up to two (2) courses.

Note: not all requested training will be allocated. However, DTD is committed to offer each state examiner up to two learning opportunities in 2021.

Special Note: The FFIEC has announced that the following training conferences will now be offered virtually:

- Oct 20 – 22 Consumer Compliance Conference
- Oct 27 - 29 Payment Systems Risk Conference
- Oct 26 – 29 Supervisory Updates & Emerging Issues – Community
- Nov 16 – 19 Financial Crimes Seminar

Another Reminder: The following is the schedule for the NCUA training courses being offered the balance of the year. These courses do have limited attendance, if you are interested please contact statetraining@ncua.gov as soon as possible for enrollment. These courses do not permit self-enrollment.
